

A large commercial airplane, likely a Boeing 737, is parked on a tarmac. The aircraft is white with a prominent blue stripe running along the fuselage and across the tail. The tail features the letters 'KLM' in blue. The plane is positioned in the foreground, angled towards the right. In the background, a large, modern airport terminal building with a glass facade is visible. The sky is a deep blue, filled with scattered white clouds. The sun is low on the horizon to the right, creating a bright lens flare and casting a warm glow over the scene. The overall atmosphere is one of a clear, late-afternoon day at an airport.
